Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

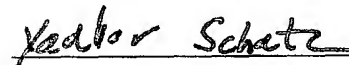

In accordance with the requirements of 37 CFR 1.97-1.99, applicant submits the following art listed on Form PTO-1449, with respect to the above referenced application. The Examiner is respectfully requested to review and consider this art, in accordance with MPEP §2001.06 and to indicate that he has considered the art, by initialing on the PTO-1449.

The present IDS is not to be interpreted as a statement that the cited documents are necessarily relevant or even prior art, but rather is submitted as an Examiner might consider the documents to be relevant. The IDS does not necessarily mean that applicant performed a search and the Examiner is requested to perform a search to find the closest prior art and in this search to review the documents provided herewith.

Copies of the non-patent art are also submitted.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,
Meir FUCHS et al.
